

Raglan Kayak & Paddleboard

Team Building Programs

Ready to ignite your team spirit?

Here at Raglan Kayak, we are driven by the belief that shared experiences strengthen teams.

Our mission is to provide immersive water adventures that inspire teamwork, ignite creativity, and drive results. Experience water-based challenges designed to be the catalyst for positive change within teams, leveraging the transformative power of water to build trust, resilience, and unity among participants."

The Water Relay Race

Experience an organized relay race where teams must follow clues to locate hidden markers in the water, using a combination of paddleboards and kayaks. Each clue leads to the next, culminating in a thrilling final discovery. We provide a comprehensive safety briefing, all necessary equipment, and complete setup to ensure a seamless and enjoyable experience.

- Ignite Collaboration: Build trust and communication as you navigate the waters together.
- Inspire Creativity: Break free from the routine and spark fresh ideas in a dynamic outdoor setting.
- Propel Results: Witness the ripple effect of unity and teamwork as it drives tangible outcomes for your organisation.
